

LES TROIS BY THE 3 THINKERS 2016

AOC MÉDOC

Médoc is one of the key appellations in the left bank of Bordeaux. It has an alluvial soil composition of mainly sand, clay and gravel, it became a unique terrain in the Left Bank. Facing due south, it enjoys outstanding exposure to the sun, providing ideal conditions for the grapes to ripen. Wines here are delicate, they deliver fruit scents and flavors of cassis, blackberry, dark cherry, vanilla, coffee bean, spice and licorice; often tannic when young, harmonious and splendid when matured.

TASTING NOTES

“Very impressive with a superb, floral nose, this wine uses quite a lot of oak and this comes through in a dry finish, which is currently a little out of balance with the rest of the experience. Nonetheless, this is a wonderful wine with a well-formed character.”
